

Emaar announces new project, Dubai Creek Harbor in Mohammed Bin Rashid City, a 6.5 million square meter Master Planned District

Dubai, UAE; 9 June 2013: Emaar Properties PJSC announced today that it is in the final stages of negotiation with Dubai Holding to develop a 6.5-million square meter urban district located alongside Dubai Creek and adjacent to Ras Al Khor.

The new project, Dubai Creek Harbor, comprises a central business district and a mix of cultural, commercial, technology, educational, healthcare, sporting, entertainment, shopping malls and residential uses, all designed around a series of lagoons and green boulevards.

Dubai Creek Harbor will be developed through a joint venture between Emaar Properties and Dubai Holding.
